Something Special from  
A&M Kid's World of Music

We at A&M Records have expanded our horizons and now proudly offer Kid's World of Music and Video. Here you'll find...

**Quality.** All of our artists are the recipients of awards from organizations made up of the most critical of judges - you, the parents. And each year we continue to expand our collection with carefully chosen titles that reflect our commitment to quality. No "junk food" for kids' minds here!

**Convenience.** We've developed this catalog in a way that's easy to understand when making your selections. You'll find all of our titles are mapped out in categories such as "oldies," "self-help," "exercise," "clown fun," and "live performing artists" like Shari Lewis.

**Comfort.** So, we invite your children to sing, clap, play and learn with the cassettes, CDs and videos we offer. And as a parent, you can feel comfortable knowing you've made intelligent selections in quality entertainment that your children will love. Enjoy!

Your friends might like this catalog too! Please fill out the information below:
