We hope this Catalogue will assist you in your selection from our extensive range of Records and Tapes. If you only have the Catalogue Number as a reference to a particular record, you will find, at the rear of this booklet a Numerical Record and Tape List to enable you to select your choice at ease.

Throughout this catalogue, album and tape numbers are listed thus: AMLS/CAM/YAM/YQM/63041. The first prefix refers to albums, the second to cassettes, the third to 8-track cartridges and the fourth to quadraphonic 8-track cartridges. So in the above example: AMLS 63041 is the album number, CAM 63041 is the cassette number, YAM 63041 is the 8-track cartridge number, YQM 63041 is the quadraphonic 8-track cartridge number.
