STONES/GO-GO'S  
DATE SET

The Rolling Stones have announced I.R.S. recording artists THE GO-GO'S as special guests for their October 1 performance at the 80,000-capacity Metro Center in Rockford, Illinois.

Bill Graham, national co-ordinator for the Stones tour, made the decision based on the tremendous popularity the all-girl group has achieved with their current world tour and their debut album, Beauty and the Beat.
