Jane Siberry Receives Two Canadian CASBY Awards

(Los Angeles)

Open Air recording artist Jane Siberry has received two Canadian CASBY awards for Album of the year and Producer of the Year.

The Toronto based Siberry received both awards for her critically acclaimed album "The Speckless Sky".

Sharing the CASBY for Producer of the Year is "The Speckless Sky" co-producer John Switzer.

The CASBY awards, short for Canadian Artists Selected by You, were held Friday, August 15th in Toronto.

The CASBY awards are the equivalent to America's American Music Awards.
