RE: SYMPHONIC SLAM

Attached please find the results of CHEAP THRILLS readers' poll. As you can see SYMPHONIC SLAM scored:

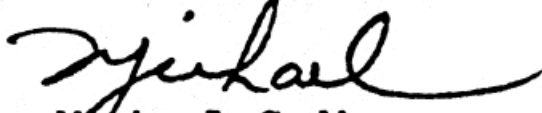

- # 1. "Best Experimental/Avante-Garde"
(Album Category)
- # 7. "Best Canadian Band"
- # 4. "Best New Canadian Band"
- # 9. "Best Canadian Album"

Not bad for a new group!

This information has been sent to all the Sales & promo staff plus affiliates and should prove to be of invaluable assistance in breaking SYMPHONIC SLAM. I think we all know we have a potential big winner on our hands. With everyone's help we can all bring it home.

Best regards.
