PAW AND MONSTER MAGNET JOIN READING LINE-UP

"PAW are an amazing band. It's time the world found out".

MELODY MAKER

"MONSTER MAGNET are the machinery, the throbbing epicentre of the whole evil place, with Dave Wyndorf whipping the kids into a frenzy of slow motion madness".

MELODY MAKER

Both East Coast rockers **Monster Magnet** and label-mates **Paw** make welcome returns to the UK with their addition to the **Reading Festival** line-up on the August Bank Holiday weekend.

Both bands can be seen on the the **NME** stage on **Sunday 27th August**, with **Monster Magnet** preceding headliners Carter The Unstoppable Sex Machine.

Paw, who last played the U.K. in March '94 in support of their highly-acclaimed A&M debut LP "**Dragline**", are soon to announce a set of solo dates in support of a brand new A&M LP and single to be released in August.

Monster Magnet, recieved rave reviews across board for their latest A&M LP "**Dopes To the Infinity**", and are currently looking to re-schedule UK dates cancelled earlier this year.
